

Thank you for your faithful generosity to Christ Church. As you give, we are seeing people grow in their faith, build authentic relationships, and discover the mission and purpose that God has for them. In many ways, we would not be able to invest in the vision that God has given to this church without your continued support.

No problem! Search for your latest e-mail receipt from giving@cccov.org. If your gift is part of a recurring gift, you'll see a link to manage your recurring giving at the bottom of the email. If you can't locate a receipt, contact the church office.

Don't know your Church Center login?

Open the app (or log in on the website) and use your mobile phone number to receive a text code. If you've never logged into Church Center, this will set up your account!

Don't see a recurring gift?

- Confirm that you have recurring giving set up. (If you manually set up a gift each time that you give, then you don't need to cancel anything in Breeze.)
